Don't miss the opportunity to be a part of a wonderful family event, Kids Fest.

This event provides fun and games, education and entertainment while supporting youth activities in Kent County. Kids Fest, A Day for Kids, features a *Healthy Kids Expo* and *National Get Outdoors Day Celebration*, an Inflatable Fair; music and entertainment; antique tractor show; a youth talent show to select a *Kids Fest Teen Idol*; carnival games, and a variety of horse and pony activities.

We are extending a special invitation to all community organizations to participate in the Healthy Kids Expo at Kids Fest. *Participation is free to non-profit organizations.* You are encouraged to highlight the activities and benefits for children of being involved in your programs. We ask that you provide a hands-on activity for young people. You may also use the day as a fund-raising opportunity. Our objective is to provide a day of affordable fun while connecting families to community resources.

Come and help us present education and information with an element of fun.
